

Home School Agreement

A home school agreement is designed to clarify the roles and responsibilities for the School, Parents and Pupils. It is hoped that this allows us to work together; successfully.

As a school

What you can expect from us:

- Behave in a professional manner, treating you with respect and courtesy
- Support your child's wellbeing and safety by providing a safe, supportive and caring environment
- Help and encourage your child to reach their full potential
- Monitor and communicate with parents and carers on your child's progress at the Autumn Term Parent Meeting, the Spring Report and the Summer Term Parent Meeting.
- Provide a broad and balanced curriculum that meets the requirements of The National Curriculum.
- Promote high standards of behaviour so we can maintain a safe environment for all children

- Offer your child opportunities to develop a sense of responsibility, form healthy social relationships and build their self-esteem
- Set regular home-learning that supports the delivery of the curriculum where appropriate
- Offer opportunities for parents and carers to get involved in school life
- Communicate between home and school through, newsletters, email and the school website.
- Respond to communications from parents and carers in a timely manner with the aim of 3-5 working days
- We will investigate your concerns and work hard to find an effective solution
- Encourage good attendance and address any concerns with parents or carers where necessary
- Make reasonable adjustments to support the needs of the children with SEND in line with legislation.
- Provide opportunities, over the year for parents to come into school.

Parents/Carers

What we expect from you:

- Staff should be treated with respect and courtesy

- Parents must not admonish or raise concerns to children (who are not their own) whilst on site or on the journey to/from school.
- Concerns and queries should be raised, in the first instance, with the Class Teacher, and then, if necessary with a member of the Senior Leadership Team
- The school must be given time to deal with your concern and find a solution (if needed) that is effective. We may not find a solution at the first attempt.
- Ensure your child attends school regularly and on time. Notify the school if my child will be absent, following the school's policies.
- Ensure your child is dressed in the correct uniform and brings their PE kit to school where necessary
- Support the school maintaining a consistently high standard of behaviour for your child as described in the behaviour policy.
- Encourage your child to try their best so they can reach their full potential; understanding that failing is part of the process
- Communicate to the school any concerns that you have about your child that may affect their behaviour in school or ability to learn (using the correct procedures and policies)

- Make sure communication with the school is respectful, and make every reasonable effort to address communications to the appropriate member of staff
- Understand that communication with staff should happen during core school hours and although they may at times respond outside of those hours, this cannot be expected
- Ensure that homework is completed on time; raise any issues with the teacher
- Read and follow the school's policies
- Treat all members of the school community with respect and courtesy
- Engage in parent meetings and work together with the school in order to achieve the best outcomes for your child
- Read all communications sent home by the school and respond in a timely manner, where necessary
- Notify the school about any significant changes eg. Change of address
- Members of staff should not be discussed on social media
- Understand that your child is expected to engage in all elements of the school curriculum such as swimming (SRE is exempt from this requirement in communication with the Headteacher)

- Play and active role in SEND support provided by the school by attending meetings and keeping the school updated of any developments.
- Support the school approach to online safety, phones and devices
